Subject: Bank of WalMart

Please write your message here. Take note of the style tips and talking points in the sidebar.

I urge all of you to attend the upcoming meeting regarding Wal-Mart establishing a banking system. This is a n issue important to all Americans.

Wal-Mart has a tendency to put small businesses out of business and undercutting the local economy. Since they are the largest retailers in the world, they would most likely do the same thing in the banking world. This would not be good for the economy nor for business.

Thank you for your consideration!
